DOWNLOADS*

For **PERSONAL USE** only.

- **ALL** images from session* - 175
- **ALL** images from Photobook session* 250

***** Please note: I only sell the full gallery of images and do not offer part-gallery purchases. *****

* These packages are available only to customers who have had non-commercial photo sessions with their dogs. The **price is the same regardless of which session you had, except for the Photobook shoot (two shoots in different locations on separate days) which is £75 extra for ALL images.**

- **To purchase these downloads please email me your request.** An invoice will be issued and once paid your downloads will be made available to you via an easy one-click link from the website.

- I provide FREE low resolution versions along with the high res, which are suitable for social media and to go on your phone etc.

- There is no minimum nor maximum number of images specified with any session, but numbers tend to range from around 30 for the one hour shoot to 100 for the Photobook shoot, but could be more or less. My priority is always to offer you as many high quality images as possible.

Please note: There is a £75 minimum spend on the site.

Spend £100 or more and get a further 5% off your order

- This is in addition to your shoot credit.
- For this discount you need to email me the details of your order and not go through my online shop.
- You will need to pay via online banking.
- Does not apply to the downloads, only items available in the online shop.
